Washington, D.C. 20231

RESPONSE

In response to the Office Action mailed November 7, 2002 and having a response due date of March 7, 2003 including a one-month extension of time, please amend the application as follows:

IN THE CLAIMS

Please cancel claim 5. ✓

Please substitute the following claims:

1. (Once Amended) A medical health record storage and retrieval system comprising:
an extraction module operable to extract a patient's diagnosis and treatment information from respective progress notes of a physician;
a storage module configured to store the extracted diagnosis and treatment information in a logically connected database; and
a server configured to allow web-enabled data sharing access to the stored database by authorized users using a remote or local web-enabled device.
